

A Synagogue Sim_ha!

On Saturday, February 2, 2019, the Martin J. Gottlieb Day School's and Bernard and Alice Selevan Religious School's Kitah Alef Classes will participate in a service known as "Haggigat HaSiddur (receiving one's prayerbook)". This ceremony acknowledges and celebrates the beginning of one's Jewish educational journey.

To participate in a collective congratulation of the students, please purchase a Sisterhood Leagram! Leagrams are personal messages congratulating our consecrants. These messages can be handwritten by you or printed on individual sheets of special Leagram stationery and beautifully bound together in a book, which the consecrant will receive as part of their Special Day.

To purchase a Leagram, complete the form below and mark the names of those you wish to honor or visit the Sisterhood website at <http://jicsisterhood.com/leagrams> to purchase online.
